## ***Nor-Lake Factory-Certified Installation***

Nor-Lake's staff of specialists are ready to help install your walk-in. With a network of certified installers across the United States and Canada, we guarantee all walk-ins and installations throughout the life of the warranty.

Factory installations provide one-stop shopping for your walk-in project. Knowing the installation will be done correctly by certified installers will give you peace of mind. Mandatory start-up of the walk-in will be performed to ensure proper operation.

## ***Nor-Lake Refurbishment Program***

Nor-Lake's refurbishment program can help make your existing walk-in look new again. We offer replacement floors, doors and hardware along with panel upgrades, saving you money and eliminating the need to replace the entire walk-in. Replacement refrigeration systems provide added reliability and increased energy efficiency to your walk-in.
