- Qualifies for flat rate freight program

**To take advantage of 2-day lead time, please mention "KL2" when ordering. All orders are for immediate shipment.**

**See next page for available floor plans**

\* Orders to be received by noon EST business day prior. Some exclusions apply. 2-day lead time does not include shipping time.

\*\*Please note that KL2 models are offered only as noted above. Any deviation from these parameters will result in extended lead times. Other options offered on standard Kold Locker™ models do not apply.

\*\*\*Upsized 30" and 36" doors are available for 10 day lead time. For this option, please mention KL10.

## Floor Plan Layouts

## Matching Capsule Pak™ & Capsule Pak ECO™ Refrigeration Systems

### CAPSULE PAK

**R-449A**  
ECO-FRIENDLY  
REFRIGERANT

- Designed for simple and fast installation, each system consists of a condensing unit and evaporator coil contained in a single housing
- Conveniently located on top of the walk-in to maximize available storage space
- Standard LogiTemp® electronic controller for increased reliability
- Capsule Pak ECO systems built for maximum sustainability and energy efficiency with a significantly reduced Global Warming Potential of 3

### CAPSULE PAK ECO

**R290**  
ECO-FRIENDLY  
NATURAL REFRIGERANT

**PATENT  
PENDING  
DESIGN**
