

KL2 MODEL WALK-INS WITH

2-DAY
LEAD TIME*

*Choice of Capsule Pak
or Capsule Pak ECO™
refrigeration systems*

Features**

- Indoor models only
- Cooler and freezer models
- Freezer equipped with pressure relief port
- 7'4"H coolers and 7'7"H coolers and freezers
- With-floor models (coolers and freezers) and less-floor models (coolers)
- 26" wide door (left or righthand)***
- Matching Capsule Pak™ or Capsule Pak ECO™ refrigeration systems in 1/2, 3/4 and 1HP.
1-1/2HP available for Capsule Pak systems only.
- Qualifies for flat rate freight program

To take advantage of 2-day lead time, please mention "KL2" when ordering. All orders are for immediate shipment.

See next page for available floor plans

* Orders to be received by noon EST business day prior. Some exclusions apply. 2-day lead time does not include shipping time.

**Please note that KL2 models are offered only as noted above. Any deviation from these parameters will result in extended lead times. Other options offered on standard Kold Locker™ models do not apply.

***Upsized 30" and 36" doors are available for 10 day lead time. For this option, please mention KL10.

Floor Plan Layouts

Matching Capsule Pak™ & Capsule Pak ECO™ Refrigeration Systems

CAPSULE PAK

- Designed for simple and fast installation, each system consists of a condensing unit and evaporator coil contained in a single housing
- Conveniently located on top of the walk-in to maximize available storage space
- Standard LogiTemp™ electronic controller for increased reliability
- Capsule Pak ECO systems built for maximum sustainability and energy efficiency with a significantly reduced Global Warming Potential of 3
