

NORLAKE®

SECURE GUARD™

Walk-In Cooler &
Freezer Lock

*Protect your inventory
with this exclusive
Norlake option*

Features

- Limits access to the cooler/freezer
- Assures the door is automatically locked every time
- Can be retrofitted onto most any walk-in cooler or freezer door
- Assures the walk-in door stays shut to save energy and prevent product loss
- Designed with a "hold back" feature allowing keyless entry during peak operating periods
- Proprietary key design that prevents duplication
- Removable key cylinder
- Door can be re-keyed or adapted to a master lock system
- Lock is through-bolted so it can't be tampered with
- Durable cast aluminum handle
- 1/4" brushed aluminum face plate and inside plate
- Heavy-duty latch and strike
- Meets OSHA requirements for egress
